TRANSPORTATION OF MINOR PERSON TO/FROM SCHOOL CAMPUS

The Catholic Diocese of Phoenix "Policy on Sexual Misconduct" as it pertains to Diocesan Personnel provides, in part, that "Field trips or other outings involving a minor in places and situations where no other responsible adults are present..." are to be avoided. The directive of this provision requires that another adult should accompany Diocesan personnel who transport minors to and from field trips and outings.

Because of the limited number of participants in the **Sports Program at St. Gregory Elementary School** and the time of day in which program events will occur, it may not always be possible to have two adults occupying each vehicle transporting minors to and from the programs.

The Diocese permits **exceptions to this policy** only upon a showing by the school that:

1) a school has made reasonable efforts to have two adults present in such vehicles, but without success; and 2) a parent or guardian of any student participating in such program has consented in writing to allow such student to be transported in a vehicle occupied by only one adult. However, for the exception to apply the parent/guardian of the minor person must consent in writing.

I, _____, of _____
(name of parent/guardian) (name of minor student)

have selected one of three alternatives below by checking the applicable box to indicate selection:

(1) CONSENT OF PARENT/GUARDIAN TO ALLOW FOR EXCEPTION TO POLICY.

I, _____, parent/guardian of, _____ (name of student) a participant in the **Sports Program at St. Gregory Elementary School** hereby consent to allow the student named above to travel to and from program events in a vehicle occupied by a single adult person at any time during the school year 2011-2012. I further acknowledge that I have instructed my minor child to occupy only the rear seat(s) of such vehicle. I agree that if I wish to revoke this consent I will do so in writing and deliver such revocation to the Principal of the school. I further consent subject to the following additional conditions (if any):

(2) NON-EXCEPTION

I, _____, parent/guardian of _____, choose to have my child always travel in a 2 adult vehicle.

(3) ASSUMPTION OF TRANSPORTATION RESPONSIBILITY

I, _____, parent/guardian of _____, will solely provide transportation for my child to all activities away from the school campus.

Student Eligibility

The after-school sports program is optional for students, both boys and girls, in the 5th through 8th grades. The sports available are:

- Boys: Flag Football (Fall), Basketball (Winter), and Baseball (Spring)
- Girls: Volleyball (Fall), Softball (Winter), and Basketball (Spring)

The ability to participate in the after-school sports program is a privilege and not a guaranteed right. Parents and participants must monitor the student's academic and behavior progress with the appropriate teacher(s) to ensure the student's eligibility.

Student athletes must maintain at least a 2.0 grade point average in order to retain eligibility. Additionally student athletes must receive no grades lower than a "C-" and a behavior grade not lower than "satisfactory" to maintain eligibility. Students will be notified of their ineligibility status when Progress Reports or Report Cards are issued.

Student athletes who become ineligible will remain so until the next grade check (the following progress report or report card, which ever is next).

Ineligibility becomes effective the next day immediately following the issuance of grades. If there is a game on that day, the players are allowed to play for that day **ONLY**. This will alleviate any last minute changes to teams and schedules. Any student who is deemed ineligible may not practice with the team nor play in any games, including tournament games, until eligibility has been reinstated.

When progress reports or report cards are published the administration will run a grade report. Based on information obtained from the grade report the administration will notify the Athletic Director which students are ineligible. The Athletic Director will inform students of their ineligibility and the appropriate coach.

The school administration is the final authority for any issues regarding a student's eligibility.

Student-Athlete Responsibilities: Students are expected to meet all eligibility requirements during each grading period. Student-Athletes should also complete classroom projects and homework in a timely manner; display cooperation and respect toward all adults, teachers, staff and other students; abide by team rules; display good sportsmanship and shows respect toward all coaches. All student-athletes are expected to attend the after-school study hall, which is held before practices. All student-athletes are expected to attend practice everyday. Any student-athlete who does not attend, must notify the coach of that sport. Coaches reserve the right to start any player they feel necessary.

Parental Responsibilities: Parents are encouraged to take an active part in their child's athletic program. Parents and other adults can have a great influence as spectators. It is important that this influence be of positive and cooperative nature. A parent who observes another parent whose behavior is not consistent with St. Gregory Catholic School's philosophy, should make the matter known to the school's Athletic Director and or Administration.

Parents and spectators should refrain from any negative talk regarding the players, coaches, or officials. It is the responsibility of parents and spectators to encourage all participants to do their best, display good sportsmanship and enjoy the athletic event.

Emergency Contact information maintained in the school office for the student-athlete should be reviewed and updated as necessary by the parents at the beginning of each season.

Sports physicals are necessary each school year. Although a student may have already had one last year, it is important that they have one each year, while playing sports. Students will be ineligible without proper documentation.

Sports fees are necessary for the sports program to access new equipment and uniforms, please make sure all fees are paid to the school office or Athletic Director as soon as possible.

CATHOLIC YOUTH ATHLETIC ASSOCIATION PHILOSOPHY

The interscholastic athletic program of the Catholic Schools is an integral part of the education program. It must, therefore, be in harmony with the educational objectives. Any interscholastic athletic activity should teach:

- an individual to be a responsible and contributing team member.
- selfless effort in working with others to reach a common goal.
- appreciation of others efforts, whether they be teammates, opponents, officials, or coaches.
- an ability to keep activities and games in proper perspective.

Athletics should be a significant, valuable community activity, foster loyalty, school spirit, student participation and healthy competition. Goals of the athletic program should be meaningful to all students in a school.

The main objectives of the Catholic Youth Athletic Association program should be that of developing qualities of leadership, good sportsmanship, and promoting a Christian atmosphere in which students will grow in respect and concern for others in their own environment as well as in society as a whole.

Emphasis should be placed upon the development of game fundamentals. Principals, coaches, and parents should encourage players to give their best, improve their skills, and have fun when playing a game.
